Mike –

We have several questions about the risk assessments. Will you please book a time on our Outlook calendars this afternoon or tomorrow so we can discuss?

Thanks.

Hi Jeff and Ruben,

Please see the attached risk assessment that we performed for the requested eight Texas and Louisiana facilities. There are three documents attached: a memo that summarizes the risk assessment, the full detailed risk report and a spreadsheet of data input changes referenced in the report.

I will be on leave tomorrow through June 20<sup>th</sup>. If you have any questions about the assessment, I will gladly follow-up upon my return. I will also set up HEM trainings with Ashley as soon as I'm back in the office.

If you have any questions in the meantime, please reach out to Kelly.

Thanks,

-Mike
